### Statement Krzysztof Holowczyc

„The Baja Poland has been my favourite rally on the calendar for many years, so I can't imagine to not participate in the event. Yes, I am out of the cross-country business but I optimistically am looking forward to again working with X-raid. The cooperation always was very successful for me and so, I am sure that we are going to also secure a good result in this year's edition of the rally. It won't be exactly easy as it's my first appearance in a rally raid car since the 2016 Baja Poland. But I nonetheless will give my very best to secure another podium.“
