Statement Guiga Spinelli

"I am really looking forward to contesting the rally with an X-raid car. After all, they are one of the best rally teams in the world. The Rally dos Sertões is one of my favourite events. I contested the event 16 times and made it to the podium 13 times. I will try to secure another win but I know that realising this goal will be difficult as I will have to battle it out with the best Brazilian drivers."

Statement Sylvio de Barros

"I have been contesting the Sertões since 1995. Eight times on a bike and once in a UTV. This year I will race for the fifth time in the car category. In the first four years I always was hampered by technical problems. Now, with the MINI ALL4 Racing, I'm contesting the rally for the first time with a competitive car. I'm really delighted with having the opportunity to participate in the event with one of the best cars in the cross-country rallying sport."
