Qatar Cross Country Rally facts:

- In 2011 candidate-event on the FIA World Cup calendar
- A constant on the world cup calendar since 2012
- The terrain is a mix of sand, dunes and rocky sections. However, the organisers announced to have reduced the rocky routes
- The competitors will have to contest a super special stage and four special stages featuring distances of more than 300 kilometres each. Compared to last year, the organisers cancelled a long special stage
